Attachments: as submitted.pdf; supp info draft 5.pdf

Greetings all,

we submitted this manuscript to ES&T today. Attached is the version we submitted. the changes compared the version you saw are minor.

thanks,
Lisa

>> Hello,

>> Let's scheduled for January 5, 2015, 11:30-12:30pm. Please let me know if this time does not work. It is requested that you email the slides 1 business day before Jan 5th. I'll provide the link for web conferencing and would like for you and I to sign in 20 minutes prior to call to make sure technology is working. If not, we'll default to the PowerPoint presentation.

>>>
>>> Hello Lisa,

>>> We would like to hear the background and an overview of this paper. For efficiency, it would be helpful if you could provide a 10-15 minute presentation on the paper with time for Q&A. This will facilitate with providing feedback. Aside from Environmental Science and Technology, To which other journals do you anticipate submitting the article?

>>>
>>> I have copied several other team members who may be interested. An adobe connect line could be provided to share your slides, unless you have a different collaborative sharing platform to use. You could also send several slides and we can follow along, whichever way works best.

>>>

>>> Provided are several dates - hopefully one will work for you. Earlier is best. Please note the times below are scheduled for a 1 hour call and are on pacific time so accommodate when considering a date/time. Feel free to call me at (b) (6)

>>>

>>> Tuesday December 23, 10am or 11am PT Mon, January 5, 11:30am or
>>> 12:30pm PT Wed, Jan 7, 8:30am PT Thur, Jan 8, 1:30pm PT Wed, Jan 21,
>>> 9am PT

>>>

>>> Thank you, Alanna
